The first 100 people in line at Prestige Dentistry’s Pasco office, located at 1641 Davenport Dr. in Trinity will be served, although those under 18 must be accompanied by a parent/guardian.

“We are out to change lives,” said Pielak, “and we look forward to meeting each and every person who takes advantage of this great day.”

“We are giving back to those in our community as a way of thanking everyone who has placed their trust in us and supported our practice for nearly a quarter century,” said Beil

“It has always been our goal to make this practice an asset to our community,” said Horwitz.

Prestige Dentistry performs a full range of dental procedures from two state-of-the-art offices, including dental implants, one-day crowns, periodontal treatment, and cosmetic and family dentistry. Dental emergencies can be seen the same day.
